Cards show:

- Today's Classes
- Upcoming Classes
- Assigned Batches
- Total Students
- Pending Evaluations

- AI Speaking Reviews
-

2.2 Today's Schedule

List view:

- Class Time
- Batch Name
- Course
- Topic
- Join Class Button

Example:

10:00 AM — Batch A — English Level 1 — Join

2.3 Quick Actions

Buttons:

- Start Class
 - Upload Material
 - Evaluate Assignment
 - View Student Progress
-

2.4 Alerts

Examples:

- Students with low attendance
 - Students needing evaluation
 - Upcoming exam reminders
-

3. CLASS MANAGEMENT

3.1 My Classes Page

View options:

Calendar view

List view

Columns:

- Course
- Batch
- Date
- Time

- Status

Filters:

- Today
 - This week
 - Completed classes
-

3.2 Class Details Page

Displays:

Class Info

- Course
- Batch
- Date & Time
- Topic

Students List

- Student name
 - Attendance
 - Participation
-

Actions:

- Join Google Meet
 - Mark Attendance
 - Upload class materials
 - Add class notes
 - Upload recording link
-

3.3 Attendance Management

Tutor marks:

Present

Absent

Late

Attendance stored for reports.

4. COURSE & LESSON ACCESS

4.1 Assigned Courses

Tutor can view:

Course structure

- Modules
- Lessons

Example:

Course

- Listening
 - Speaking
 - Reading
 - Writing
-

4.2 Lesson View

Displays:

- Lesson content
- Teaching notes
- Practice exercises

Tutor can:

- Approve AI evaluation
 - Add human feedback
 - Suggest exercises
-

7. STUDENT PERFORMANCE ANALYTICS

Tutors track student progress.

7.1 Student List

Columns:

- Name
 - Batch
 - Attendance %
 - Progress %
 - Last activity
-

7.2 Student Profile

Tabs:

Learning Progress

LSRW breakdown:

Listening

Speaking

Reading

Writing

Assessment Results

- quiz scores
 - attempts
 - improvement trend
-

AI Practice

- speaking sessions
 - pronunciation feedback
-

Attendance

- class attendance %
 - participation level
-

8. BATCH MANAGEMENT

8.1 Batch List

Columns:

- Batch name
- Course
- Students

- Next class
-

8.2 Batch Overview

Displays:

- Students
 - Course progress
 - Attendance summary
-

9. LIVE DOUBT SESSION

Tutors can host additional sessions.

9.1 Request Extra Session

Tutor submits request to institute admin.

Fields:

- Topic
 - Date
 - Time
 - Batch
-

9.2 Instant Doubt Session

Quick meeting link generation.

Students join instantly.

10. CONTENT SHARING

10.1 Resource Upload

Upload:

- PDF
 - Audio
 - Video
 - Practice sheets
-

10.2 Resource Library

Students access uploaded resources.

11. COMMUNICATION CENTER

Tutor communicates with students.

11.1 Messaging

Send message to:

- Individual student
 - Entire batch
-

11.2 Announcements

Examples:

- exam date
 - homework reminder
-

12. TUTOR PROFILE & SETTINGS

Tutor manages personal settings.

12.1 Profile

Fields:

- Name
 - Qualification
 - Experience
 - Profile photo
-

12.2 Availability

Tutor sets schedule:

Example:

Mon–Fri

10 AM – 5 PM

12.3 Notifications

Enable:

- email alerts
 - class reminders
 - assignment alerts
-

FINAL SIDEBAR STRUCTURE

Tutor Portal Sidebar:
